The University of Padova is supporting **19 University International Summer & Winter Schools in 2014/2015**, in the framework of its own policy aimed at promoting internationalisation. The projects are organised in cooperation with academic institutions or other foreign bodies and are also addressed to international users: **doctoral candidates, Italian and foreign post-graduate students or professionals as well as public and private employees.**

In some cases learning credits may be assigned, to be recognised in study courses and also in the lifelong learning.
